Thank you...

...for purchasing the CRU® ToughTech® Secure m3 enclosure. The ToughTech Secure m3 is powered by your PC or Mac and provides secure, encrypted USB access to your most important data. Simply insert your encryption key to read the drive.

Our unique WriteProtect feature prevents data from being deleted accidentally—and keeps viruses and unwanted data off your drive.

Because it is portable, your ToughTech Secure m3 enclosure also has a Kensington slot to use with a cable lock to prevent theft.

ENJOY.
